

strategies in line with the changing demands of technology and the market.

CONFLICT OF INTEREST

The authors declare no conflict of interest.

AUTHOR CONTRIBUTIONS

A.V.A and L.A.M.R. Conceptualized the research; C.A.M.M. and L.F.G.G. made the methodology; P.A.R.C. made the investigation and analyzed the data; P.A.R.C., C.A.M.M. and L.F.G.G. validated the research; L.A.M.R. made the formal analysis; A.M.R. and P.A.R.C. got the resources; L.F.G.G. made data curation; A.M.R., P.A.R.C. and C.A.M.M. prepared and wrote original draft; A.V.A wrote-revised and edited; C.A.M.M. and L.F.G.G. made the visualization; A.V.A. Supervised; C.A.M.M. and L.F.G.G. managed the project all authors had approved the final version.
